However, if you just want a large pile of sticky notes, and you doneAAA care about the color or shape at all, then youAAA want these Highland Sticky notes. For just \$8.84, youAAA get 100 pieces of 24-pack sticky note pads. ThateAAA plenty of sticky notes, and likely more than enough to last an entire lifetime for one person. As such, these sticky notes are best for businesses who want to provide sticky notes to their employees, or for someone who wants to just share sticky notes with others. Frankly, we doneAAA know why youAAA need this many sticky notes to begin with, but if quantityAAA what youAAA are looking for, then youAAA got it right here. Comes in many shapes Allows for color-coding Great for studying eAAA designed to mark important information or content There are two types of sticky note users. There are those that use it sparingly, placing it on the fridge for family members to warn them to not eat their food, and there are those that use it almost religiously, seeing it as the perfect tool to record information. If youAAA are the latter, then this set of sticky notes is the perfect self-gift. This set of sticky notes comes in many different shapes and colors. You have sticky note strips that you can hang outside your notebook, Sticky note pages to fill out larger sections of information, and regular sticky note pads that are great for general use. These sticky notes come in blue, yellow, red, and other colors, allowing you to color-code your information so you can sort them out better in your head. Comes in six different colors Gives you more room to write on Made of durable wood pulp paper Available in two sizes, 3.95eAAA x 3.95eAAA/4eAAA x 6eAAA Sticky notes are generally seen as ways to post bits of information. Usually, you doneAAA put more than a couple of sentences per note. This has served well in many cases, it can be placed on almost any surface, but in some situations, you may want something a bit more large to contain more words. Enter the ALEX 6. These adhesive notes come in many different colors of up to 4-6 inches of size. That is more than enough space for a couple of sentences, and could even write a full letter to someone and have some space. The variety of color also allows you to encode your letters, although it may not be so â Eil when you only use some of them at the same time. Available in bulk, 6 pads/package (100 sheets/pad) available in multiple colors made with high quality paper and easy adhesive to use and peel; cleanly eliminates this set of adhesive notes comes in the same dimensions as many others available in the market today at 3-3 inches. However, the key difference is that these notes come with lines that allow you to legally write words and sentences. These lines obstruct scribbles and simple drawings if you prefer to do them, but if you want to simply write a note, then the lines can only serve as an advantage. The notes come in six different colors, such as many other sets of adhesive notes. This allows the coding of colors, and since it is so simple, the notes can be used in a variety of situations, whether for school, in the office or simply at home. You can also buy more large adhesive notes of this seller if you prefer something with a little more space. Available in 8 different colors available in bulk games of 8, 16, 24, 48 pads (82 sheets/pad) the paper is brilliant â ç â, - 80 GSM Sturdy Sturdy, â â â .ç It is a bit more expensive. If you want a set of adhesive notes of different colors without bombing more than \$ 10 in a single purchase, then this set of adhesive notes is perfect for you. Comes in standard size of 3 months, which makes it ideal for almost any situation. One of the most common uses of sticky notes in studying is as a way to summarize passages of text. You can easily condense an entire chapter of words into a few sticky notes worth of bullet points and key phrases, which make it easier to review the topic. What surface do sticky notes best stick to? Although it depends upon the adhesive used to make them sticky, most sticky notes best stick to dry, smooth, and clean solid surfaces like kitchen counters, windows, etc. They also work really well when pasted on paper.
